SAY HELLO

TO THE NEW INNOV-ÍS *A-Series* SEWING MACHINES
BY BROTHER, THEY'RE LIKE NOTHING YOU'VE EVER SEWN

A16

A150

It's Sew Easy!

BIG FEATURES AUTO SETTINGS

Press here to reinforce
the beginning and end
of seams

Extra powerful needle
penetration for thicker
fabrics like denim

PRESS HERE AND THE MACHINE THREADS THE NEEDLE FOR YOU.

DROP IN A BOBBIN, THREAD IN THE DIRECTION OF THE ARROW
AND YOU'RE READY TO SEW.

PRESS THE START/STOP BUTTON TO USE THE MACHINE
WITHOUT THE FOOT CONTROLLER.

PRESS THE THREAD CUTTER BUTTON TO SNIP YOUR THREADS
AT THE END OF SEWING (A150 ONLY)

Press the Lock Stitch button to sew tie-off stitches at the beginning and end of the stitch

Press the needle up/down button to raise the needle or lower it. Pressing the button twice sews one stitch

Use the slide control to adjust the sewing speed from slow to fast

Store your machine accessories away in here
